Get to Know Principal Hargrave

by Madison Stiles and Hudsyn Goe

On Friday, September 25, I interviewed Mrs. Hargrave to learn more about her. Mrs. Hargrave received her Bachelor of Science in Business from Cal Poly, Pomona, where she studied for four years. She also went to Chapman University for her teaching credential for one year. Mrs. Hargrave received her master's degree in Administration, as well as her Administrative Credential, from Cal State San Marcos. Altogether, Mrs. Hargrave spent a total of eight years at different colleges. Mrs. Hargrave's first job out of college was as a high school teacher in Vista for one year. After that she worked in marketing and sales for fifteen years at Xerox and New York Life. After working in business, she taught middle school at Vista Unified for 7 years. Then she spent four years as a middle school assistant principal at Escondido Un-

ion and nine years as an elementary school principal in Valley Center. Two and a half years ago, she came to San Pasqual Union, where she is our superintendent and principal.

Mrs. Hargrave married her high school sweetheart, who also is in education. They have two kids, a daughter and a son. Mrs. Hargrave's daughter's name is Holli. Holli has a Bachelor's degree in Spanish and French and a Master's degree in English. Her son, Kyle, has a Bachelor's degree in Philosophy and a law degree. Mrs. Hargrave's hobbies include reading, walking, and taking care of her pets. She now has two dogs, two birds, two cats, and five fish; when she was a kid, she had lots of pets, including horses and dogs. I loved getting to interview Mrs. Hargrave because I got to learn a lot about her, and I am glad I got to know her better.

Flashdances by Ellie Fraedrich

Have you been to one of San Pasqual's fun flashdances? Elementary school and the cheerleaders participate in the flashdances. Kim Carrasco, Ms. Essex, and all the SPU Saints Cheerleaders lead the flashdances. Flashdances are when we dance to a 30-minute long mash-up of a of different songs. They take place every other Thursday morning from 8:30 to 9:00

a.m. Everyone dances in Saints' Plaza. Cheerleaders, Ms. Essex, and Kim Carrasco dance up on the green risers in the front and lead the flashdances for everyone to follow. Flashdances are a nice way to get everyone to exercise and have fun with friends at the same time. Flashdances first started in 2013, and they used to be every single Thursday morning. Make sure you come join everyone from 8:30 to 9:00 a.m. every other Thursday to dance with your friends!

Song Suggestions by Hudsyn Goe

At lunch on Thursday, don't you want to be able to listen to the music you want to listen to!? Well, now you can! during lunch and snack get a form near the cafeteria and write your name, song name, and the artist's name to request a song be played at lunch by ASB. Make sure the song is appropriate for school or it won't be played. Make sure to get your suggestions in and maybe they will be played at lunch. So make sure to suggest a song so you can listen to music you want to listen to.

Apex Fun Run

by Rachel King and Taylor Banister

On Thursday, September 3rd, 2015, the Apex team came to our school! We don't know how much we've raised yet, but we know it's a lot. This event took place on the field, with two 1/16 of a mile track. Preschool-2nd grade ran at 8:45, 3rd-5th grade ran at 9:45, and 6th-8th ran at 12:00. Great job San Pasqual! Congrats to Mr. Harmon's class for raising \$112. Also in 7th grade, Tessa Gilbert got an insane number of 62 laps around during the Fun Run. All the kids who attended the fun run, give yourself a thumbs up. :)

Girls Volleyball A & B Teams *by Morgan Arroyo*

On Friday September 18, 2015, the Lady Saints had their first volleyball game of the season. A and B team both won their games by a landslide! It was awesome to be able to see all the athletic ladies and to see how hard they worked.

The game took place in our great red barn, against Escondido Adventist Academy. Every serve Escondido Adventist Academy served, we got and didn't let them get any points. Your serves were fantastic and so were your passes and spikes we also incredible. Great job!

I wanted to give a special shout out to Rylie Oppenheimer, Kyla Miller, Briana Weir, Tessa Weurful, Nicole Martinez, and Klea Hunt. You guys really stood out to me while you were playing. You were always focused and aware, and your serves were always in bounds and over the net!. Great job ladies! I can't wait for the next game!

Book Review *by Julia Sarnoff Espinosa*

The Red Pyramid is a novel that is written by Rick Riordan (the author of the Percy Jackson books). *The Red Pyramid* is set in the 21st century. It is told by two teens, a brother and his little sister. And they find out they are Egyptian magicians. They have to learn how to deal with their magic AND SAVE THE WORLD FROM CHAOS. That is all I can say or else I will spoil the story.... but this is an amazing book, so please read.
